### Payment Terms

Standard terms are Net 30 upon approval. A revision of these terms will not be recognized without written approval by H2flow Controls. H2flow Controls, Inc. reserves the right to change these terms at their discretion. Any overdue invoices will be subject to a 2% service charge each month the balance is past due.

### Taxes

The prices for goods do not include any sales, use, or other taxes or charges payable to state or local authorities. If an exemption form is not or has not been previously provided, the transaction may include taxes as necessary. If the transaction is subject to taxation and the invoice does not include a charge for taxes, then it is the customer's responsibility to report and pay any applicable tax owed on the transaction.
